Great, let's do 11:00AM on Monday the 16th. Once I get confirmation, I will send an email with everyone, but I am expecting Caroline Golin with Vote Solar to join by phone (she is based in ATL), Peter Ledford with NCSEA, Brian Buzby and myself for NCCN.

Looking forward to it!
Rachael

Hi Jeremy,

Apologies for the delay. It took a little while to hear back from everyone on their schedules. Unfortunately, next week is pretty tough for those who I would like to meet with you on grid modernization. Would the morning of Monday, October 16th work for you instead?

I am still working on the timing for the meeting on H589, but think I'll be able to make it work for next week.

Also, please see below the timeline for H589 I referenced on our call:
